Svetlo

A modern office interior with a focus on ergonomics and well-being. The space features long, white, adjustable-height desks with black frames. A woman is seated at one of the desks, working on a computer. A man is standing at another desk, also working. The office is filled with green plants, and large windows provide natural light. The ceiling has exposed red pipes and black ductwork. The floor is covered in a grey carpet. The overall atmosphere is bright and professional.

Súkromie

The image shows a modern office environment. In the foreground, there are several cubicles with light gray fabric partitions and white desks. Each desk is equipped with a computer monitor, keyboard, and mouse. A black office chair is visible in one of the cubicles. To the right, there is a large wooden bookshelf filled with books and magazines. A black ladder is leaning against the bookshelf. In the background, there is a glass-walled area, possibly a meeting room or a lounge, with a green exit sign above the entrance. The ceiling has exposed ductwork and long fluorescent light fixtures. The floor is covered with a green and gray patterned carpet.
